Thursday, September 11, 2014 marked BGC’s Tenth Annual Charity Day.

BGC Partners, together with its affiliate Cantor Fitzgerald, raised approximately $12 million globally on this single day for dozens of charities around the world.

To date, Charity Day has raised approximately $113 million for hundreds of charitable causes.

Held in commemoration of the 658 Cantor employees and 61 Eurobrokers employees lost in the 9/11 World Trade Center attacks, each anniversary is a poignant occasion for us.

Every year, BGC Partners and our affiliate Cantor Fitzgerald, in conjunction with the Cantor Fitzgerald Relief Fund, strive to turn a tragic day into one that is positive and uplifting by distributing 100% of our global revenues on Charity Day to the Cantor Fitzgerald Relief Fund and dozens of charities around the world. The Cantor Fitzgerald Relief Fund, initially created to assist families of Cantor employees who were lost on 9/11, has since broadened its mission to provide aid to victims of terrorism, natural disasters, emergencies, direct service charities and wounded members of the military.

We are thankful to all our celebrity guests who joined us in New York on Charity Day and raised money for tremendous causes. In addition, many thanks to our clients, brokers and charities whose commitment, support, enthusiasm and graciousness made Charity Day a spectacular success.
